

Supplier Declaration of Conformity with EU Regulation 2025/40 (PPWR) to all ICOFORM Customers

Supplier Name:	SC ICOFORM SRL
Contact Information (Address, Email, Phone Number):	Anghel I. Saligny nr.38, Oradea, Bihor, Romania info@icoform.eu

Declaration of Conformity under the PPWR as of August 12, 2026

We hereby guarantee that all our packaging and packaging components, as well as packaged products delivered on or after August 12, 2026, comply with EU Regulation 2025/40 on packaging and packaging waste.

Substance Requirements (Pursuant to Art. 5 of the PPWR)

In accordance with the provision of the PPWR, the cumulative concentration of the heavy metals lead, cadmium, mercury and hexavalent chromium in packaging or in its components must not exceed the limit value of 100 mg/kg.

In addition, other relevant substance restrictions must be observed, those from: The REACH Regulation (EC) No. 1907/2006 and The POP Regulation (EU) 2019/1021.

We, therefore, confirm that all relevant legal restrictions and bans on substances, insofar as they apply to our products, are being complied with.

By signing this document, we confirm that the information provided above is correct.

We immediately and proactively notify the customer of any changes regarding the conformity of the packaging and its components. We provide EU declarations of conformity, technical documentation, and any other required information and verification upon request.

This requirement applies to all raw materials, packaging materials, and packaging supplied by ICOFORM.
