

FLOOR MATS

DISCLAIMER

Our advice offered with regard to application technique, provided verbally, in writing, or by experiment, is based on the best of our knowledge and ability. It can however be regarded only as nonbinding guidance, also in respect of third party patent and proprietary rights, and does not release the recipients of the obligation to conduct their own tests on the products supplied by us with regard to suitability for the anticipated procedures and purposes. Application, use, and processing of products is effected beyond our possible control, and accordingly is the sole and exclusive responsibility of recipients. We do of course guarantee the perfect quality of our products, subject to the provisions of our General Terms of Sale and Delivery in the current valid issue.

The values listed in this brochure have been, if not explicitly stated otherwise, established on standardized test specimens at room temperature. The figures should be regarded as guide values only and not as binding minimum values. Kindly note that under certain conditions the properties can be affected to a considerable extent by the machining or processing and by the coloring.

ABOUT **ICOFORM**

ICOFORM is a leading European manufacturer with a long tradition of offering high quality polymer products for the automotive, household, industrial and agricultural sectors.

The company operates a manufacturing plant in Romania and a customer service center in Poland. As part of the ICOTEC.GROUP, we offer a wide range of innovative plastic solutions with decades of know-how.

Together with our group companies, ISOSPORT, ISOKON and TOMPLAST, we have the necessary flexibility to act

as a reliable development partner and strategic supplier worldwide. ICOFORM is widely recognized as a global leader in the manufacturing of household entrance mats, as well as related household and industrial products, marketed under the AstroTurf® brand.

Our demonstrated technological know-how has enabled our company to provide high quality, production flexibility and a high degree of product customization, confirmed by long-term partnerships with various well-known global customers in the household and retail sector.

PRODUCT OVERVIEW

Entrance Mats for Every Need

Our entrance mat collection combines functionality with style to suit every space and requirement. From classic mats and rolls for everyday use to high-performance options built for heavy-duty environments, each product is designed to protect floors and enhance safety. The extra wide mat offers extended coverage, while the ele-

gant Utopia mat adds a decorative touch with its stylish edge. Whether for commercial or residential use, our mats deliver reliable performance and a welcoming first impression.

OTHER APPLICATIONS

FOR PROTECTIVE MATS (PET)

More Than Just a Chair Mat

Our chair mats are as versatile as they are durable. Beyond protecting floors under office chairs, they serve as practical solutions throughout your home. Use them as a stable base for pet bowls, a clean and protective

surface in the kitchen, a moisture barrier under flower pots, or a tidy spot for shoes in entryways. Their solid construction, slip resistance, and easy maintenance make them ideal for a variety of everyday needs—proving that smart design goes far beyond the workspace.
